THE KEY TO YOUR SYSTEM IS YOUR LIVER

The principal civilized nations of the world guard jealously and expend millions annually to protect those strategic positions, or strongholds, recognized as the "key" to their national integrity.

Your liver is the stronghold that you must fortify and guard against the attacks of disease. Your liver is "The Key to your System." Take care of your liver and your liver will take care of you.

Sharp-edged uric acid crystals are forming in your blood; Bright's disease, rheumatism, diabetes, inflammation of the bladder, dropsy, stone in the bladder, and many other similar enemies of your system are marching against you. They must reach your system through your liver. If you fortify this stronghold against them you conquer disease and win robust health. If you neglect your liver they will capture it and overrun your entire system, breaking down tissue through the nerves and blood. Diseases of the heart and lungs,

skin diseases, constipation, rheumatism and stomach troubles naturally follow.

The only preparation that drives out all these troubles is **DR. THACHER'S LIVER AND BLOOD SYRUP**. It cures, because it goes to the seat of the trouble at once. It drives these disorders out of your liver; it strengthens "The Key to your System;"

and fortifies it against future attacks. It makes you well by making your liver well.

DR. THACHER'S LIVER AND BLOOD SYRUP is an honest medicine—an accurately compounded preparation of pure medicinal herbs. No nerve-deadening opiates—no harm in a thousand bottles.

Dr. Thacher's Health Book will tell you why you are sick, and how to be well. Send for it, and a sample bottle of **DR. THACHER'S LIVER AND BLOOD SYRUP**.

Seven citizens of Sumter county have been licensed to carry a rifle and pistol. "In time of peace prepare for war" is evidently their motto.

The Polk County Record has been made the official organ of that county by the commissioners. What's the matter with the official "paper?"

C. S. Berger's carnival company was fined \$125 for doing business in Pensacola without a license, also Berger paid \$12.50 for "cussin' out" the band.

Rinaldo Von Balsan, one of St. Augustine's oldest and best known citizens, aged 66 years, dropped dead while working in his garden Saturday.

Lake Butler has a chemical engine for fighting fire, and the people of that burg sleep soundly at night now, with the exception, of course, of the night watchman.

Drs. Gwinn and Christie of the Chattahoochee insane asylum engaged in a rough-and-tumble fight a few days ago. Gwinn lost a piece of an ear, and to conclude the contest Christie pitched him out of the building.

Richard, the two-year old son of Newton Pless of Trilby was, burned so badly by setting fire to the grass while playing with matches with older children that he died in great agony. The mother was badly burned in extinguishing the flames.

W. W. Langford this week sold his entire stock of cattle, consisting of about 7,000 head and 33,000 acres of pasture lands to the King Brothers for something like \$100,000. The cattle go at \$10 per head. This is a cash deal and is probably the largest transaction of the kind ever made in the county.—Arcadia Champion.

It is important that we note that the first solid carload of velvet beans left Oxford last week. It was brought here in the community and hauled by a machine made in Oxford and was shipped to the State of Virginia by W. F. Bozeman of Leesburg. The car of beans cost Mr. Bozeman over \$500.—Sumter County Times.

WHITE ROBED SPIRIT ARRESTED

Police Nab Woman for Getting Money Under False Pretenses.

Chicago, March 14.—After a struggle with a white-robed "Spirit" in a room in Seber street, a city detective has arrested the spirit, despite desperate resistance. The spirit turned on the visitor from the other world was found to be Mrs. Jennie Nichols, and young and extremely muscular woman. She will have a hearing to a charge of obtaining money on false pretenses. The detective's shirt was badly torn in the fight.

The raid on Mrs. Nichols' place was the first move in a general crusade against "fake" materializations, spirit painting and spirit photographing which had been undertaken by the police.

NEW REMEDY FOR TRUSTS

Governor Stokes Says Minister Can Do More than Lawyers.

Atlantic City, March 14.—Before the ministers of the New Jersey conference Governor Edward C. Stokes advanced the suggestion that prayer and preaching would be a better remedy for the evils of trusts and railroad combinations than the usual laws enacted by state and nation. This was brought out in an address to a newly organized class of ministers.

"While I am a full believer in passing remedial legislation," he said, "it has been my experience that any sort of law will be circumvented by human ingenuity. What is needed is a higher sense of honesty and right, which will prevent the oppression of the poor by those in power, and inculcation of this principle is the business of the preachers of the country rather than the legislators."

Maniac at the Throttle.

Chicago, March 14.—Climbing stealthily aboard a switch engine on the Illinois Central railroad, near Ninety-first street, an insane man opened the throttle and ran the engine at full speed to Parkside, several miles away. Reversing the lever he leaped from the locomotive, which flew back over the route which had just been traversed, and crashed into another switch engine near the starting point. Both engines were thrown from the track and badly damaged. The engineer of the second locomotive, having warning of the approach of the runaway, leapt in time and escaped.

A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath after any little exertion, palpitation of the heart; and at times terrible pain in the region of the heart, so serious that I feared that I would sometime drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions. With the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble; in fact I am widely known in this locality."
